Dear Sachem Friends,

The Envirothon team competed against 21 teams at the Long Island Regional Envirothon Competition on April 28, 2010 at the USDAN Center for the Creative and Performing Arts. The competition consists of an oral presentation based on a current event issue and tests on five environmental fields of study including soils, forestry, wildlife, aquatics, and a current event on hydrology of groundwater. For the fifth consecutive year, the team placed 1st in Suffolk County, and each team member won a \$500 scholarship, a digital camera, and a printer for the school. The girls will compete for state championships on June 2nd and 3rd at Keuka College. Team members included seniors Anne Liberti and Jessica Thomas, junior Jessica McGlinchey, sophomore Ruchi Shah, and freshman Sharon Luebs.
