Dear Sachem Family,

I would like to wish everyone a very peaceful and happy holiday season. Hopefully you are able to enjoy some quality time with family and friends.

Each of you plays a vital role in the lives of our wonderful students. Please know how thankful I am for your continued help and support. Your willingness to give selflessly of your time and talents always benefits our students. Together we continue to support the relationship between the school and the home. It is certainly this mutually respectful bond that strengthens our Sachem family.

Please remember in your thoughts and prayers those who are struggling or less fortunate as well as the many brave men and women who serve in our armed forces.

May you and your family be blessed with good health and good fortune now and throughout the new year.

Sincerely,

*James J. Nolan
