Dear Sachem Family,

It's hard to believe that the summer is quickly coming to an end. I certainly hope that it has been a safe and happy time for your family. As we approach the opening of school on September 7, please know that the Sachem staff has been busy planning for a productive and exciting school year.

Our goal is always to provide a safe, effective learning environment which ultimately will enable our students to become respectful, responsible leaders in our society. We strive to offer a rigorous academic environment which will enable our students to be college and career ready.

Communication is such an important part of the educational process. I encourage you to be an active participant in your child's education. The relationship between the school and home must be a mutually respectful and cooperative partnership that will enable children to meet with success.

I hope you enjoy the final days of summer. Please know how much we appreciate your continued support. Please accept my best wishes for a great school year!

Sincerely,

A handwritten signature in black ink, appearing to read "James J. Nolan", with a long horizontal flourish extending to the right.
