Sachem Central School District

Cayuga Elementary School

September 2019

Dear Parents/Guardians:

Welcome back! I would like to invite you to join us for Cayuga's upcoming Curriculum Night on Wednesday, September 25th. We will be hosting all grades (Kindergarten through Fifth Grade) on this night. You will have the opportunity to hear from your child's teacher and will receive an overview of the year's curriculum. You will also have the opportunity to meet our special area and support staff teachers.

Our program for the evening is for parents only. For many reasons, I ask that children not be brought to Curriculum Night; *please understand this is not a night to discuss individual student progress*. Instead, I would encourage you to maintain consistent communication with your child's teacher throughout the school year. When you have questions, please do not hesitate to email or write a note to your child's teacher, call our school or set up an appointment to meet. Please know that I am also available to answer any questions or address any concerns that you may have. Please note below is schedule of events for the evening:

Doors to Building Open	5:20 p.m.
Kindergarten Session	5:30 – 6:00pm
1st Grade Session	6:10 – 6:40pm
2nd Grade Session	6:50 – 7:20pm
3rd Grade Session	7:30 – 8:00pm
4th Grade Session	8:10 – 8:40pm
5th Grade Session	8:30 – 9:20pm

Our Curriculum Night presentations will take place in the classrooms. As you know, parking is limited so I ask that you carpool if at all possible. Also, please try to arrive early and keep in mind that the teachers must adhere to the scheduled start and end times.

We encourage your participation by attending Curriculum Night as we work toward our goal of increasing communication between home and school. A list of our staff members and their locations are printed on the reverse side for your information. We look forward to seeing you on September 25th!

Sincerely,

Matthew P. Wells
