Tamarac Elementary School

September 10, 2019

Dear Parents:

On behalf of the students and staff of Tamarac Elementary School, I would like to invite you to attend our annual Curriculum Night on Thursday, September 26th. This is a special event at our school since it is generally the first opportunity of the year for parents to visit their child's classroom. The teachers and students have been preparing for this event and hope you will make every effort to attend.

This night is designed for parents only. Please remember this is not a time to discuss individual children. Parents will have the opportunity to ask for a conference if they would like to discuss their individual child. There is ample opportunity throughout the year to participate in school-wide events with your child and we encourage you to do so. The visiting times and locations are listed on the back of this letter.

If you would like to speak to a special area teacher and they are not available, please leave a note with the classroom teacher or the main office and it will be forwarded promptly.

I do hope that you will be able to attend our Curriculum Night which is designed to meet our goal of positive communication between home and school. It is important to meet the teachers and become familiar with your child's routines early in the school year. We are excited about showing and sharing Tamarac Elementary School with you.

For this event only, we will be asking all parents to enter through the outside door of the cafeteria to enter Tamarac. The front doors will remain locked throughout the evening. Please also remember that this evening is a parent only event. We greatly appreciate your support.

Sincerely,

Michael S. Saidens
