Sachem Central School District

Sagamore Middle School

May 7, 2020

Sagamore Parents/Guardians,

We are scheduling student access to lockers over the course of three days next week. We developed a plan that staggers access days and times to minimize the number of students in the building. Students will have the opportunity to visit their hall locker and gym locker then have to exit the building. Students can only come to the building during their assigned day/time.

We distribute lockers in September by team in grade 6 and alphabetically in grades 7 and 8. Due to this we will have to have different plans for scheduling access for these grades to maximize spacing while students are at their lockers. Grade 6 is alpha by child's last name and grade 7 and 8 is by the math teacher and period. Please review the schedules below and note the access time for your child. If you have more than one child in the Middle School and they have different access times you are welcome to bring them all during the scheduled time for your youngest Middle School child.

Meds/equipment can be picked up from the Nurse's office by students if the meds are self-carry. If they are not self-carry a parent will approach a security guard/administrator by the front entrance who will arrange for the parent to go to the Nurse's office during your child's scheduled access time. Please bring photo ID and a mask.

Expectations for Student Access:

1. Students will have to **wear a mask** to enter the building.
2. Students will go directly to their locker (gym and/or hall), grab their belongings then exit the building.
3. Students will not socialize while in the building.
4. If another person is within 6 feet of your locker please stand back until they are done and have left the area.
5. Late winter athletes (girls basketball, boys volleyball, wrestling) will drop off their uniforms in the appropriate bin in the gym.
6. Library books can be dropped off in a bin by the library.
7. All students will enter through the Main Entrance.
8. All students will immediately leave the building by the Main Entrance once they have all their belongings.

You can reach out via email with questions. fpanasci@sachem.edu
