Course Descriptions

Camp Sachem is offered for all Sachem students entering grades 1 through 8 as of September 2012. The full day elementary program will start at 8:30 A.M. and end at 3:30 P.M. The full day middle school program will start at 8:15 A.M. and end at 3:15 P.M.

Recreational Classes

Elementary students will participate in four recreational classes each day:
Project Adventure, Arts and Crafts, Music, and Computer Lab.

Elementary Enrichment Classes for 2012:

GRADES 1 & 2

Soaring Above the Clouds - Discover the wonders of flying as you build your own planes and perform test flights.

Cook with a Book - Cuddle up with picture books and cook. Here you will make wonderful treats that relate to great literature.

Lego World - Learn about skyscrapers, vehicles, buildings and sculptures as you create a world out of Legos.

Book Creators - Do you love poems, writing fantasy stories and writing about your experiences? Students will become authors and illustrators as they create their own picture books.

Junior Puppeteers - Create puppets and scripts to perform your own play.

Math Madness - Explore exciting math games as students work with number patterns, facts, counting, geometric shapes and other great math concepts.

Art Appreciation - Do you love art and want to be an artist? Explore different artists as you create beautiful and wonderful art projects.

Crafty Tales - Students will enjoy listening to classic and modern fairy tales and creating projects to go with them.

GRADES 3 & 4

Explore the Universe - Explore the Solar System as you learn about stars, planets, black holes and the sun.

Chef School - Explore ingredients and develop recipes as you learn the magic of cooking.

Junior Scientists - Learn about chemistry as you make exciting concoctions such as Silly Slime, Zoom Glue and Flubber. Students will also take part in dazzling science experiments.

Kites in the Classroom - Soar through the clouds with your own, crafted kites. Students will build and fly different types of kites.

PLEASE NOTE: CLASSES ARE CONTINGENT UPON ENROLLMENT

Elementary Enrichment Classes for 2012 continued:

GRADES 3 & 4 (continued)

Meteorology - Become meteorologists and create your own natural disasters. Students will learn to forecast the weather and study tornados, hurricanes, tsunamis and thunderstorms.

Summer Book Club - Relax with a book and read together. Students will read chapter books and create crafts connecting to their novels.

Book Creators - Do you love poems, writing fantasy stories and writing about your experiences? Students will become authors and illustrators as they create their own picture books.

Lego World 2 - Do you enjoy building with Legos? In Lego World 2, students will work as a team to make larger more intricate Lego creations such as an airport, city corner, fireboat, and race car track!

GRADE 5

Junior Detectives - Love Clue? Do you want to solve mysteries? Students will learn the tricks of top detectives as they study evidence and solve crimes.

Jewelry Craftsmen - Learn the mechanics of jewelry making as you make necklaces and bracelets.

Robotics: Students will create and control their own robot using Lego Mindstorms NXT technology.

Sweet Shoppe - Ever wonder how taffy and rock candy was made? Learn the science behind making delicious sweets and candies, while creating them.

Summer Enrichment Newspaper - Extra! Extra! Read All About It! We are looking for writers to take pictures and develop articles for our Summer Enrichment Newspaper. Students will create a newspaper about all the exciting classes in our summer program.

Creative Technology - Students will interact with Smart Boards, develop Power Point presentations and explore technology in the classroom. **A personal flash drive is necessary to save digital projects.*

Digital Photography - Use digital cameras to capture the beauties of the world and the friendly faces around camp in this exciting course. Students will work with Photo Story to create photo albums and picture frames. **A personal flash drive is necessary to save digital projects.*

Rocketeers - 3, 2, 1 Lift Off! Design and fly your own rocket as you learn about the inner workings of rockets.

The Leader in Me: Inside everyone is a leader. The Leader in Me will help students understand how to find their inner leader through community service projects. Students will work with elementary students and community members on projects to benefit the Sachus community. **This class has an additional \$10.00 field trip fee.*

PLEASE NOTE: CLASSES ARE CONTINGENT UPON ENROLLMENT

MIDDLE SCHOOL Recreational Classes

Middle School students will select two recreational classes to take each day.

Project Adventure: Learn to work as a team, build confidence, and use leadership skills to solve problems physically and academically

Music: Make beautiful music through singing and using small instruments.

Art: Create your own unique works of art in the Camp Sachem art studio.

Computer Lab: Use technology each day to discover something new and exciting.

Middle School Enrichment Classes for 2012:

Grade 6, 7, & 8

Top Chef: Students will learn the cooking skills necessary to create delicious foods each day.

Sports Clinics: Do you like soccer, basketball, baseball, and other sports? If so, then this is the class for you. Students will learn new techniques and practice skills to become even better athletes.

Book Club: Gather together to read amazing books and discuss them. Students will work on activities to go with the literature they read.

Website Creators: Create a camp website that reports the happenings around Camp Sachem. Design informative webpages, create podcasts, and upload images and graphics in this amazing class. **Students can sign up for both sessions as new skills will be addressed during the four weeks.*

The Middle School Survivor's Guide: Are you ready to survive middle school? Middle School is a big step. Learn how to make the most of your time as a 6, 7, or 8 grader in this hands on class.

The Leader in Me: Inside everyone is a leader. The Leader in Me will help students understand how to find their inner leader through community service projects. Students will work with elementary students and community members on projects to benefit the Sachem community. **This class has an additional \$10.00 field trip fee.*

The Science Laboratory: Students will use hands-on projects to explore the exciting world inside our Science Laboratory!

Language Club: Learn new languages such as Spanish, French, and even Sign Language!

Creative Technology: Students will interact with Smart Boards, develop Power Point presentations and explore technology in the classroom. A personal flash drive is necessary to save digital projects.

Robotics: Students will create and control their own robot using Lego Mindstorms NXT technology.

PLEASE NOTE: CLASSES ARE CONTINGENT UPON ENROLLMENT

Middle School Enrichment Classes for 2012 (continued):

Grade 6, 7, & 8

Drama: Do you enjoy being on stage? In our Drama class you will perform in a play during this **four week class** at Camp Sachem.

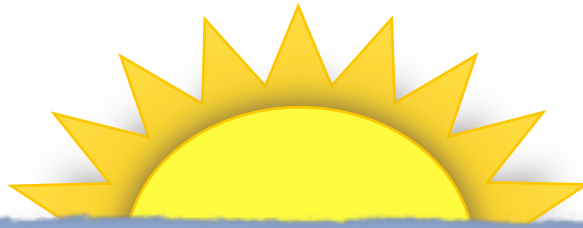

Stage Crew: Do you like the idea of drama but don't want to be onstage? If so, then stage crew is the place for you. Crew members will work with the Drama Class to create props, costumes, and lighting.

Camp Sachem Newspaper: Extra! Extra! Read all about it! Be a part of the Camp Sachem news staff. Interview students and faculty, photograph events, and write about the exciting adventures happening at Camp Sachem.

Babysitter's Certification: Students will learn how to interact and care for younger children, basic first aid, and will be certified in CPR during this **four week class**. Great for older siblings and future babysitters!

Mad Hot Ballroom: Do you like to dance? Then this is the class for you. Inspired by the amazing documentary, Mad Hot Ballroom will teach you amazing steps to dances such as the Cha-Cha, Rumba, and Foxtrot.
