

SACHEM CENTRAL SCHOOL DISTRICT  
DENTAL INSURANCE

SELF-INSURED PLAN-administrated by J. J. Stanis and Company, Inc. (previously J. J. Newman)—Teachers and clerical employees must enroll 1 year from hire date (should contact payroll department within 30 days prior to 1-year anniversary date). All other employees must enroll within 30 days of hire date. There is a 90-day waiting period to enroll for late enrollees and a 2-year waiting period for late enrollees for bridges, dentures and orthodontics.

The following forms can be downloaded: claim form for non-participating provider, directory of participation providers, fee schedule for charges dentist may charge, description of dental plan and reimbursement fee schedule. (There is a separate reimbursement schedule for teachers.) You must call the payroll department, extension 1325 for enrollment cards.

There is a \$50.00 deductible per year. You are responsible for the difference between the charges of the dentist and the reimbursement fee schedule. A non-participating dentist can charge any fee and you will only receive the reimbursement portion after the \$50.00 deductible so it is advantageous to go to a participating provider.

The phone number is 1-877-470-3715.
