

Part II Power Point Presentation Outline

- Slide 1 should have the topic: Individual contributions during the American Revolutionary War Time Period.
- Slide 2 should have the name of the individual you are researching.
- Slide 3 should have a brief biography of your person.
- Slide 4-9 should have examples of the important contributions of the person you chose. Use examples from your research to reinforce your answer.
- Slide 10 should have a summarizing conclusion with one adjective describing you person and details to support that adjective.
- Slide 11 should list any resources you used for your research and the sources of any graphics you used from the web for this presentation.
- Slide 12 should list the names of all your group members.
- All slides should contain a background, text, and graphics.
- All slides should be in readable text fonts, graphic should complement the text information, and background should relate to the topic.
- Slide appearance should be pleasing overall. Graphics, fonts and backgrounds should not detract from the information and purpose of the presentation.
