Dear Parent/Guardian:

Attached you will find a registration form for Sachem High School East's afternoon/evening SAT preparation course. The course will begin the week of October 19th and continue for six sessions as described on the registration form.

In the past, students involved in the program gained an average of 50 points on their SAT combined score. While such past performance by our students is not a guarantee of your child's potential gain, we believe that an in-depth and thorough preparation program will better prepare our students for the SAT examination. It is important that your son/daughter return this form to Mrs. Manning in the *main office* at East on or before **Friday, October 9th** so that they can benefit from this worthwhile program.

The registration form will also be available on the Sachem East website for your convenience. If you have specific questions about the program please contact Mrs. Albino, Math Chairperson at 716-8269 or jalbino@sachem.edu

Sincerely yours,

Rory Manning
Principal
