October 2011

Dear Parent/Guardian:

The Advanced Placement program provides high school students with an opportunity to experience college level course work while in high school and to gain college credit through participating universities by earning an accepted score on the AP exam. You are receiving this letter because your son/daughter is enrolled in at least one advanced placement course and we would like to inform you of the schedule and fees associated with taking the exams. This year's exams are scheduled according to the calendar on the back of this page and each exam will cost \$87.00.

Sachem High School students will be provided with additional registration information during the month of January and the deadline to register for an exam will be Friday, February 3, 2012. Students will be required to submit payment for each exam at that time.

Once again, registration for Advanced Placement exams will take place in early February. At this time, we are providing you with the schedule of exams and the costs associated so that you can plan ahead and prepare for this upcoming activity.

If you have any questions about the Advanced Placement program, or anything else associated with your child's school experience, please contact your child's counselor at Sachem High School East (716-8200 Ext. 5110) or Sachem High School North (471-1400 Ext. 5510).

Sincerely,

Paul E. Manzo  
Assistant Superintendent for Curriculum  
& Instruction
