

Dear Parent or Guardian:

September 2011

On behalf of the Sachem Central School District and The Princeton Review, I am pleased to announce that your district continues to work as a Princeton Review partner.

For the 2010– 2011 school year, we are once again thrilled to offer our PSAT, SAT, and ACT courses at a significantly reduced rate. **Plus, if you enroll before September 30th, you'll save an additional \$100 off our SAT and ACT Classroom and Ultimate courses.** Additionally, we are extending a 15% Small Group Tutoring discount or a 10% Private Tutoring discount to all Sachem students.

Rising juniors can choose from the following classroom course options for the 2011-2012 school year:

- Prepare for the October PSAT – course begin in September
- Prepare for the November SAT – course begins in October
- Prepare for the March SAT – course begins in November and January
- Prepare for the May SAT – course begins in March
- Prepare for the April ACT – course begins in February
- Prepare for the June ACT – course begins in April

Don't forget we also offer discounted Small Group and Private Tutoring programs!

Our goal in forming this partnership was, and continues to be, to provide the highest quality test preparation available to the students of the Sachem High School District at a substantial savings. Many parents ask what makes one test preparation company different from another. High score improvements, expert instructors, convenient schedules and the highest caliber materials available are a few of our most notable advantages.

To enroll, simply complete the enclosed form and return it to our office, along with payment, or call us at 800-2Review (800-273-8439). A minimum deposit of \$59 is required to hold your child's space in our classroom programs. A deposit of \$299 is required for our Ultimate course and \$399 for Small Group Instruction. You can also enroll online at www.PrincetonReview.com. *If you choose to enroll online, you'll be required to leave a deposit of \$199 for our classroom programs.* Spaces fill quickly so the sooner you register, the better.

If you would prefer Private Tutoring, please call 800-2Review (800-273-8439) to speak with one of our test preparation experts. As a benefit of this partnership, all Sachem students receive 10% off comprehensive Private Tutoring programs. **Our tutors are very popular and book quickly so please contact us as soon as possible if you would like to enroll in Private Tutoring.**

Once again, we are pleased to partner with the Sachem Central School District to provide outstanding test preparation programs for your students. We look forward to celebrating many more successes together in the year to come.

Sincerely,

Anna le Noble Boardman

The Princeton Review of Long Island
