Activity Information

To maintain membership in the National Honor Society, it is necessary to stay involved in at least **TWO activities or clubs** other than the *National Honor Society*.

These activities **cannot** be part of a course requirement.

One of these activities may be a club or organization outside of school.

Your involvement in both activities must be for the entire school year!
(Except for seasonal sports or theater productions)

If an activity is outside of school, it must be associated with community service.

An activity that is really a hobby (dance, ice hockey, jobs, etc.) will **NOT** be considered an activity that satisfies the *National Honor Society's* requirement.

Please complete the attached form and return it to Mrs. Conti or Mr. Capitelli in the Guidance Office

The **FINAL DEADLINE** for completion and submission of this form is:

APRIL 1, 2009

REMINDER! It is your obligation to provide verification for your activities.
If you fail to return the completed form, you will be suspended from the *National Honor Society* and face future dismissal.
