

BUY- A -BRICK FUNDRAISER

THE CLASS OF 2013'S LEGACY PROJECT IS PROUD TO CREATE "THE ARMED FORCES DEDICATION GARDEN"

The Freshman Class of 2013 at Sachem High School North in Lake Ronkonkoma plans to erect a monument at the high school that honors the men and women of the **Sachem community** who have served in the armed forces and have graduated from Sachem High School as well as our current schools. The Sachem North students, teachers, and staff have shown exceptional interest this year in organizing this project, the first of its nature, which emphasizes giving back to the community and honoring those who have done the same.

The Legacy Project will consist of a water structure in our courtyard, surrounded by plants and a brick walkway memorializing former Sachem graduates who have served in the military. Sachem North is dedicated to making this project eco-friendly, and the plans include solar-powered water pumps and lighting, which would be at no cost to the school to run or maintain.

Please consider buying a dedication brick as way to honor those who have served in the armed forces or show your support and thanks to the brave men and women of the Sachem community. **The cost of each Brick is \$50, a small price for those who gave so much.**

Ordered by:

(Please print clearly and do not abbreviate)

Name: _____ Address: _____
