Spring, 2012

Dear Parents or Guardians of Seniors,

Attached you will find a registration form for Sachem High School North's afternoon/evening SAT Prep Course. The course will run from the week of March 12, 2012, and continue for six weekly sessions.

It is important that your son/daughter bring this form to the Main Office at Sachem High School North on or before Friday, March 2, 2012, so that they can benefit from this afternoon program.

In the past, students involved in the program gained an average of 50 points on their SAT combined score. We will be beginning class on March 12, 2012; therefore, it is essential that you have your son/daughter return this form by March 2, 2012.

Sincerely,

John Dolan  
Principal
