Seneca Teacher

The Terri Brosnan Memorial Garden

Wishing to remember our friend in a special way, Seneca is establishing a memorial garden with a gazebo in memory of Mrs. Terri Brosnan. The staff of Seneca believes this will serve as a permanent reminder of the love and dedication that Terri felt towards the school and students.

In an effort to make this garden more personal and a lasting tribute to our wonderful colleague and friend, we will now be selling bricks that will be permanently inserted into the walkway of the courtyard. The bricks will give our families the opportunity to honor a loved one or leave a message of peace or inspiration for visitors to the garden.

The cost to purchase a brick is $50.00. The brick can be engraved with up to 3 lines of 18 characters or spaces per line. Use the brick template below to design your personalized brick. Send this form back to Seneca to the attention of "Terri Brosnan Memorial Committee", with cash or a check made payable to Seneca Middle School and we will order your personalized brick.

Be a part of Seneca's Memory Lane….buy a brick today!

Please note: All orders are due before June 4, 2010

PLEASE RETURN THIS FORM AND YOUR CHECK PAYABLE TO:
