Dear Parent/Guardian:

All students entering grades six through grade twelve for the 2019-2020 school year will find their course selections accessible on the Parent Portal from now until Friday, April 5, 2019 at 4:00 p.m. The course selections can be viewed by clicking on the course request tab after clicking on an individual student identification number. This is not your child's schedule, they are the selected courses for next school year.

Please take the time to review and discuss your child's course selections with them. If you have any questions or wish to make any changes, please contact your child's guidance counselor as soon as possible.

Very truly yours,

Anthony J. Mauro, Ed.D.
