eSchoolData Parent Portal F.A.Q.

What is the eSchoolData Parent Portal?

The eSchoolData Parent Portal is a highly secure, internet-based application through which parents and guardians are able to view district permitted details of their student's academic record.

Through the Parent Portal, parents and guardians have instant access to important information such as district and building announcements, assignment grades, student schedules, attendance information, progress reports, report cards, transcripts, assessment scores, course requests, immunization details, discipline incident information, bus assignments, or fees. Please note that the information you are able to see is regulated by your school district.

How do I register for a Parent Portal Account?

Once your school district has implemented the Parent Portal, your school district will communicate registration instructions.

What if I forget my password?

If you forget or misplace your password, go to your Parent Portal Log In Page. Click on the link "Forgot your password? Click here to retrieve it." You will see a new page, enter either your UserID or email address. Hit the "Request Password" link. You will receive an email with a link to the 'Change Password' page.

What if I do not receive a response email about my password inquiry?

First, check your spam folder. Your email rules and/or SPAM filter may be set to block delivery of emails sent from the Parent Portal. Then, be sure to add the Parent Portal email address to your address book, add the address to your "white" list or list of approved senders. This will ensure that future emails from the Parent Portal will be properly received.

What computer hardware and software do I need to use the Parent Portal?

To effectively access your Parent Portal account, you need a Macintosh (OS X 10.7.5) or Windows PC (Windows 7 Professional) with an internet connection.

For the best browsing experience, we recommend Safari 5.0, Google Chrome 27, or Internet Explorer 11, or later.

We also recommend having Adobe Acrobat Reader™. This PDF reader is available for free download at www.adobe.com/products/acrobat/readstep2.html.

How can I change the email address associated to my Parent Portal account?

The email address associated with your account can be changed by clicking on the "My Account" icon on your personal home page. Then, click "Update Account Info" from the tabs on the left and enter your new email address. Click "Save."

- **note for each day a child is out**
- **immunization updates**
- **medication or health updates**
- **physical examinations required for grades:
K, 1, 3, & 5**

family Connect Night

Dates: 10/16, 11/14, 12/10, 1/15, 2/13, 3/12, 4/16, 5/14, 5/20, 6/10

The above dates are designated as “no homework” nights, so our students may enjoy uninterrupted family time.

Research indicates these times benefit the well being of both parents and children.

A list of suggested activities is on the flyer see Hiawatha website.

If you would like to share photos of how you connected for our Twitter account, please email them to cmarino@sachem.edu.

A happy child is a happy learner.
