Students who did not make the cut-off, your check and paperwork will be mailed to your home and you can try to enroll for the summer program. Summer information will be posted on the school's website near early May.

PROGRAM BEGINS: March 7, 2022 **PROGRAM ENDS:** June 1, 2022 (Approx)

ABOUT THE COURSE...

The current Driver Education Program will provide all students with an introduction to the driving experience. Students will be provided with theory practice through 16 google classroom assignments. The In-car portion of the program will include the one on one instructions given by the students' parents and or legal guardians (Written driving lessons, guidelines, and a driving log will be given to each parent/guardian by the Driver Education Coordinator to assist with the driving portion of the program). Throughout the semester, related topics will include, "rules of the road," traffic safety concerns, defensive driving, proper handling of vehicle, parking, driving in traffic, problems of substance abuse, and other topics as related to driving. Students who complete the program with a passing grade of 65 in each category will receive the Certificate of Completion (MV-285), the opportunity of a senior driver's license (Class 5) at age 17, and an insurance reduction according to the policies of your insurance carrier. Students must obtain from the DMV website, the 50 hour supervised driving completion form for graduated licensing requirements.

ELIGIBILITY...

Students must be 16 before February 1, 2022 and have a valid Permit to be eligible for the Spring semester. Students must submit a clear copy of their permit with the Registration Form. **No one will be accepted into the program without submitting a clear copy of their permit.** * This is **MANDATORY, No Exceptions**.

COST...

\$200.00 Please include check payable to Sachem School District.

REFUND POLICY...

If a student cannot be accommodated because classes are filled, checks and paperwork will be mailed home. Once classes begin, no tuition refund will be authorized for those students who are enrolled in the program.

ABSENCES/MAKEUPS...

The New York State Education Department Guidelines for Driver and Traffic Safety Education require a minimum of 24 clock hours of classroom instruction (lecture) and 24 clock hours of laboratory (in-car) instruction. This means that a student must fulfill all 48 hours of the program in order to receive an MV-285 certificate.

The following lecture and driving information are for the Spring 2022 Driver Education Program. After reviewing the information, please complete all necessary sections that are needed for the program. In order to best accommodate everyone, you will need to fill in your information as **clearly** as possible.

**** MANDATORY: Please be sure the email addresses are EXTREMELY CLEAR to read.**

Students and Parents will be provided LECTURE & DRIVING information for the semester. Program is from March 7, 2022 Through Approximately June 1, 2022.

****All lectures will take place on Google Classroom, (Lectures are assignment based, students will be able to work on the lecture assignments on their own time and pace and they will be able to contact me for individualized instruction, so I can assist in answering their questions). The lecture classes are not remote classes.**

Driving will take place at HOME WITH PARENTS/GUARDIANS.
(Specific information will be sent via email a few days before classes begin).

****Included with the registration paperwork will be information for parents/guardians to follow in order to provide the driving portion of the program. Each week a driving guideline/lesson will be emailed home comprising the week's driving instruction. (Check junk/spam mail if you don't see an email from me).**

LECTURES: Will be provided once per week on Google Classroom. All necessary information will be provided to students once registration has been completed and I have notified all students via email. The program will run for 14 weeks and students will complete all sixteen lecture assignments.

DRIVING: As I stated above, I will be sending weekly driving guidelines/lessons for all parents/guardians to use while supervising your child's driving lessons. I will also be communicating with each parent/guardian, especially to answer any and all questions. The program will run for 14 weeks, students must complete all sixteen driving lessons.

MANDATORY: Once roster is set, students will be contacted via email. They will be given their GOOGLE CLASSROOM CODE.

Registration is **NOT** on a "First Come, First Serve Basis" rather it is based on accommodating the oldest students first with preference to current 12th graders followed by 11th graders.

****NOTE: Due to ongoing Covid issues, the cut-off for number of students enrolled will be 50 students.**

- As of now, we plan on running a Summer program. Information may not be available until early May.
- Please check the school's website at that time.

**SACHEM SCHOOL DISTRICT DRIVER EDUCATION
IMPORTANT INFORMATION FOR PARENTS AND STUDENTS
** PLEASE READ AND SIGN BELOW**

The following rules and regulations will govern the Sachem School District Driver Education Program. They should be read and signed by the student and parent/guardian:

REQUIREMENTS:

The Spring Program is comprised of a total of 48 hours. The New York State Education Department Guidelines for Driver and Traffic Safety Education require a minimum of 24 clock hours of classroom instruction (lecture) and 24 clock hours of laboratory (in car) instruction. Note: This means that a student must fulfill all 48 hours of this program in order to receive an MV-285 certificate. An email will be sent a few days before the program begins which will go into detail how these hours will apply to the ongoing Covid issue. One make-up date will be provided for a missed lesson due to an emergency.

LIMITATIONS OF JUNIOR LICENSE.....

A student, who is still 16 and passes a road test, even if he/she has successfully completed the Driver Education Program, is still limited by a Junior License and the following restrictions apply in Nassau/Suffolk Counties:

- Check with the Department of Motor Vehicles for Certification of 50 Hours of Supervised Driving (Form MV-262)
- The student may drive a vehicle appropriate to his or her license directly to or from a state approved cooperative work-study program. Carry form MV-287A with the license.
- The student may drive directly to or from an approved program for credit at a post secondary institution, college, or university. Carry form MV-287A with the license.
- The student may drive directly to or from a state approved registered evening high school. Carry form MV-287A with license.
- The student may drive directly to or from a state approved driver education course. Carry form MV-287A with license.
- The student may, between 5am and 9pm, drive a vehicle unaccompanied directly to or from work. Carry form 58A with license.

PLEASE NOTE: An interpretation of the above guidelines basically prohibits students from driving to and from high school without a parent, until a regular operator's privileges are obtained at age 17 and the student has received an MV-285 certificate.

A student who has only a Permit and is enrolled in a driver education course may drive a vehicle only when accompanied by a licensed parent, until a regular operator's privileges are obtained at age 17 and the student has received an MV-285 certificate.

A student who has only a Permit and is enrolled in a driver education course may drive a vehicle only when accompanied by a licensed parent or professional driving instructor between 5am and 9pm.

We have read, understand and accept the guidelines, responsibilities and obligations as outlined above.
