January 2017

Dear Parents and Guardians:

The programming process for the 2017-2018 school year is now beginning.

At the end of January, all 6th graders will fill out the bottom portion of this form to indicate if they will be participating in a performing music class next school year. Seventh grade students may only choose one class to participate in.

If a student is not currently in a performing music class and they would like to begin one in seventh grade, they must audition and receive approval from the performing music teacher of the class they wish to take.

On March 30, 2017 your child's course recommendations will be posted on the Parent Portal and will remain on the Portal until April 24th. Please keep in mind that all recommendations are tentative pending your child's final performance in June. Please contact the Guidance office at (631) 696-8600 with any questions.

Sincerely,

Frank Panasci
Principal
