Bus Stop Selection Form

Bus stops for the school year have been posted to the parent portal:

<https://parentportal.eschooldata.com>

If the bus stop for your child is acceptable, **YOU DO NOT NEED TO COMPLETE THIS FORM!**

If you wish to select a different stop, please refer to the list of stops at

<http://www.sachem.edu/departments/transportation> to identify the code of your selected stop. You should choose a stop based on your child's building for **the upcoming** school year. Note that the first 3 letters of the stop code will indicate your child's building for next year. If, in the future, you wish to change the stop you have chosen for any reason, you must notify the school by submitting a new Bus Stop Selection Form so that the records can be updated.

Please return this form to the main office of your child's **current** building

Student Name: _____ Current Building: _____

Student ID Number: _____ Upcoming Year Building: _____

I live beyond the half mile walk zone for my school and have chosen the following stop for my child's bus stop: |__|__|__|__|__|__|
