Dear Parents,

If you plan on picking up your child/children from the walker line, please complete the bottom portion of this letter and return to school tomorrow. We have used this process in the past and it has worked very well. We must be vigilant to ensure we are only releasing your child to a preapproved, designated person. Please send it in to your child's teacher in an envelope marked "Walker Line Permission".

Your support and cooperation is much appreciated. Please make sure any adult picking up a child from the walker line has a valid license with them. We also greatly appreciate your understanding and cooperation staying outside of the cafeteria. This process helps us maintain control and keep our children safe. Please remember to bring umbrellas with you during inclement weather. We will do our best to dismiss the children as quickly as possible.

Please see the sample below.

Name of person picking up	Relationship to child
