

Sachem Central School District

Sachem High School North

10/12/2022

Dear Parents and/or Guardians:

You are cordially invited to attend our 8th & 9th Grade Curriculum Night at Sachem High School North on Monday, November 7th from 7:00 – 8:30 pm.

We feel it is very important that we help assist you and your child with the numerous academic decisions that will need to be made in the near future. From experience, we know that academic decisions made by parents and students during their high school years have clear implications as students prepare for further educational, occupational, or military goals after high school.

On Monday, November 7th, eighth and ninth grade students and their parents will be participating in a series of curriculum presentations in our Auditorium. Sachem High School North's chair people and faculty will be discussing graduation requirements as well as course offerings. It is our hope to provide you with a better understanding of the various elective courses available for your child.

In preparation for this evening, please view department videos on our website prior to the presentation. Videos can be found on the Sachem North webpage under Departments-Course Offering Videos or by clicking [here](#). If you need help on how to input courses into e-school please watch this video by clicking [here](#).

We look forward to seeing you and your child on Monday, November 7th at 7:00 p.m. in the Auditorium at Sachem High School North. Please make sure your son/daughter brings their chromebook to the presentation so that families can review and select elective courses they are interested in.

Sincerely,

Andrew Larson
